

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA

**NOTICE OF PENDENCY OF CLASS ACTION, PROPOSED  
PARTIAL SETTLEMENTS OF CLASS ACTION,  
FAIRNESS HEARING, AND RIGHT TO APPEAR**

**If you were employed in a technical, creative, or research and development (“Technical”) position at Adobe Systems Inc., Apple Inc., Google Inc., Intel Corp., Intuit Inc., Lucasfilm, Ltd., or Pixar during the time periods set forth below, you could get money from two different class action settlements, and an ongoing class action lawsuit may affect your rights. Please read this notice carefully.**

*A court authorized this notice. This is not junk mail, an advertisement, or a solicitation from a lawyer.*

- On October 24, 2013, the Hon. Lucy H. Koh of the United States District Court for the Northern District of California entered an order certifying a Class of Technical employees in a class action lawsuit involving alleged agreements between and among several high-technology companies not to recruit or “cold-call” each other’s employees. The class action lawsuit claims that Adobe Systems Inc. (“Adobe”), Apple Inc. (“Apple”), Google Inc. (“Google”), Intel Corp. (“Intel”), Intuit Inc. (“Intuit”), Lucasfilm, Ltd. (“Lucasfilm”), and Pixar violated federal and state antitrust laws by allegedly agreeing not to recruit or “cold-call” each other’s employees.
- Two settlements, (1) a \$9,000,000 settlement with Pixar and Lucasfilm, Ltd. (“Lucasfilm”); and (2) an \$11,000,000 settlement with Intuit Inc. (“Intuit”), have been reached in partial settlement of the class action lawsuit. Pixar, Lucasfilm and Intuit deny that they violated any antitrust laws or engaged in any wrongdoing. For purposes of this notice, Pixar, Lucasfilm and Intuit are referred to collectively as the “Settling Defendants.”
- The lawsuit is continuing against Adobe, Apple, Google, and Intel, which are referred to as the “Non-Settling Defendants.” Adobe, Apple, Google, and Intel deny that they violated any antitrust laws or engaged in any wrongdoing. The Settling Defendants together with the Non-Settling Defendants are referred to collectively as the “Defendants.”
- You are a Class Member if you were a salaried Technical Employee (as defined below) who worked in the United States for **any** of the Defendants during any portion of the following time periods: (a) for Apple from March 2005 through December 2009; (b) for Adobe from May 2005 through December 2009; (c) for Google from March 2005 through December 2009; (d) for Intel from March 2005 through December 2009; (e) for Intuit from June 2007 through December 2009; (f) for Lucasfilm from January 2005 through December 2009; or (g) for Pixar from January 2005 through December 2009. Excluded from the Class are: retail employees, corporate officers, members of the boards of directors, and senior executives of all Defendants. For a more complete list of job titles included in the Class, please go to [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com).
- If you are a Class Member, you are included in the \$9,000,000 partial settlement with Pixar and Lucasfilm **and** the \$11,000,000 partial settlement with Intuit, and you are included in the continuing lawsuit against the Non-Settling Defendants.
- Please read this Notice carefully. Your legal rights will be affected whether you act or don’t act, and you have a choice to make now

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS

<b>SUBMIT A CLAIM FORM FOR YOUR SHARE(S) OF THE PARTIAL SETTLEMENT(S)</b>	<p><b>Completing and submitting a Claim Form by March 19, 2014 is the only way to receive money from the partial settlements with the Settling Defendants when the funds are distributed.</b></p>
<b>REMAIN IN THE CLASS ACTION</b>	<p>You do not need to take any additional action to remain in the Class and be a part of the ongoing lawsuit against the Non-Settling Defendants. You will remain in the Class and be a part of the ongoing lawsuit against the Non-Settling Defendants unless you submit a written exclusion request. By remaining in the Class, you will be bound by the outcome of the continuing lawsuit with the Non-Settling Defendants. There is no money available now from Adobe, Apple, Google, or Intel, and no guarantee that there will be. The outcome of the continuing class action lawsuit against these Non-Settling Defendants is not yet known. If additional money or benefits are obtained from the Non-Settling Defendants, you will be notified again.</p>
<b>EXCLUDE YOURSELF FROM THE PARTIAL SETTLEMENT(S)</b>	<p><b>Get no payment from the partial settlement(s).</b> This is the only way that you can file your own lawsuit or ever be part of any other lawsuit about the legal claims in this case against any of the Settling Defendants. As described in Question 20, you may exclude yourself from one or both settlements.</p> <p>If you exclude yourself from the partial settlement(s), you will remain in the Class for purposes of the continuing lawsuit against the Non-Settling Defendants and will be bound by the outcome unless you submit a written exclusion request.</p>

Keep the right to file your own lawsuit.</b> You will remain in the Class on whose behalf the lawsuit will continue against the Non-Settling Defendants unless you submit a written request to exclude yourself from it. You must submit a timely written request to exclude yourself from the Class, if you wish to do so, by <b>March 19, 2014</b>. If you ask to be excluded from the Class for the continuing lawsuit with the Non-Settling Defendants, you won't be entitled to share in any money or benefits from the Non-Settling Defendants if they are later awarded. This is the only way that you can file your own lawsuit or ever be part of any other lawsuit about the legal claims in this case against any of the Non-Settling Defendants.</p> <p>As described in Question 20, you may exclude yourself from the ongoing lawsuit against the Non-Settling Defendants and still submit a claim for your share of the proceeds of the partial settlements.</p>
<b>OBJECT TO OR COMMENT ON THE PARTIAL SETTLEMENT(S)</b>	<p><b>Following the instructions in Question 23, write to the Court about why you like or do not like the settlements with either Intuit or Lucasfilm and Pixar by no later than March 19, 2014.</b> You may also ask to speak to the Court about your written comments or objections about the fairness of either or both of the settlements at the "Fairness Hearing" on May 1, 2014, though you do not have to do so. To comment on or object to either or both settlements and request to speak at the "Fairness Hearing," you must act before</p>

<b>GO TO THE COURT'S FAIRNESS HEARING ABOUT THE PARTIAL SETTLEMENTS.</b>	<p>If you would like, you may ask to speak in Court about the fairness of one or both of the partial settlements if you follow the instructions in Question 23 of this Notice.</p> <p>You do not need to speak to the Court to receive benefits under either of the partial settlements.</p>

- **The Court in charge of this case still has to decide whether to approve the settlements with Intuit, Lucasfilm, and Pixar. Payments will be made if the Court approves the settlements, and after appeals, if any, are resolved, and after the Court orders that the settlement funds be distributed. Please be patient.**
- **The outcome of the class action lawsuit against the Non-Settling Defendants is not yet known. You will be notified if money or benefits are obtained from any of the Non-Settling Defendants through settlement(s) or trial. Please be patient.**

**BASIC INFORMATION****1. Why did I get this Notice?**

You have received this Notice because Defendants' records show you may have worked as a salaried Technical Employee in one of the job positions described in Question 8 below during some or all of the following time periods: (a) for Apple from March 2005 through December 2009; (b) for Adobe from May 2005 through December 2009; (c) for Google from March 2005 through December 2009; (d) for Intel from March 2005 through December 2009; (e) for Intuit from June 2007 through December 2009; (f) for Lucasfilm from January 2005 through December 2009; or (g) for Pixar from January 2005 through December 2009.

**The Court sent you this Notice for two reasons:**

**(1) Class Members have the right to know about two proposed partial settlements of a class action lawsuit, and about their legal rights and options, before the Court holds a "Fairness Hearing" to decide whether to grant final approval to the settlements.**

This Notice explains the lawsuit, the partial settlements, and your legal rights. It also explains what benefits from the partial settlements are available at this time, who is eligible for them, and how to obtain them. If the Court approves the partial settlements and after any objections and appeals are resolved, upon the Court's order an administrator appointed by the Court will make the payments that the settlement allows.

The Court has preliminarily approved both partial settlements. If you are a Class Member, you have legal rights and options that you may exercise before the Court considers whether it will grant final approval to the proposed partial settlements at the "Fairness Hearing." The Court will hold the Fairness Hearing on May 1, 2014 to decide whether the proposed partial settlements are fair, reasonable, and provide adequate compensation and benefits to the members of the Class.

If you wish to comment on (including object to) or exclude yourself from one or both of the partial settlements, you must do so following the procedures described below. If you do nothing, you will not receive any money from the partial settlements, but you will be bound by any final judgment.

**(2) Class Members have the right to know that the Court has approved, or "certified," this case as a class action lawsuit against the Non-Settling Defendants, and about their legal rights and options before the Court decides whether the claims being made on behalf of the Class are proven.**

On October 24, 2013, the Court decided that this lawsuit can move towards a trial against the Non-Settling Defendants as a class action because it meets the requirements of Federal rule of Civil Procedure 23, which governs class actions in federal court. Trial is scheduled to begin on May 27, 2014, before Judge Lucy H. Koh of the United States District Court for the Northern District of California, San Jose Division.

**2. What is this lawsuit about?**

The lawsuit claims that Defendants entered into agreements with each other and with unnamed co-conspirators not to recruit or hire each other's employees in violation of federal and state antitrust laws. Each of the Defendants, including the Settling Defendants Lucasfilm, Pixar, and Intuit, denies that it violated any laws or engaged in any wrongdoing.

Lucasfilm and Pixar have entered into one settlement agreement with Plaintiffs. Intuit has entered into a separate settlement agreement with Plaintiffs.

The Non-Settling Defendants (Adobe, Apple, Google, and Intel) have not entered into any settlements. This case will proceed towards trial as a class action against them.

To obtain more information about the claims in this lawsuit, you can view the complaint and other court documents in this case at [www.Hightechemployeelawsuit.com](http://www.Hightechemployeelawsuit.com).

**3. Why is this a class action, and who is involved?**

In a class action lawsuit, one or more people called "Named Plaintiffs" or "Class Representatives" sue on behalf of other people who have similar claims. The people with similar claims together are a "Class" and are called "Class Members." In a class action, the court resolves the issues for all Class Members, except for those who exclude

themselves from the Class. The Court appointed Named Plaintiffs Siddharth Hariharan, Mark Fichtner, Brandon Marshall, Daniel Stover, and Michael Devine as Class Representatives in this case.

The Court decided that this lawsuit can move forward towards trial as a class action against the Non-Settling Defendants. More information about why the Court is allowing this lawsuit to proceed as a class action can be found in the Order Granting Plaintiffs' Supplemental Motion for Class Certification, which you may view at [www.hightechemployee lawsuit.com](http://www.hightechemployee lawsuit.com).

#### **4. Why are there settlements?**

The Court has not found in favor of Plaintiffs or Defendants. While the lawsuit is still pending before the United States District Court, the Plaintiffs and the Settling Defendants have agreed to settlements which, if they are approved, will bring the claims against Pixar, Lucasfilm, and Intuit to an end. That way, the Plaintiffs and Settling Defendants avoid the uncertainty of continuing the case between them, and avoid the cost of further litigation, and Class Members will get the benefits of the settlements. The Class Representatives and their attorneys think the settlements are best for everyone who allegedly was harmed by Pixar's, Lucasfilm's, and Intuit's alleged agreements not to compete for employees.

#### **5. Why are the settlements "partial" settlements?**

Although the settlements with Lucasfilm, Pixar, and Intuit fully resolve the Class Members' claims against them as described in Question 16, the settlements only partially resolve the case, which will continue against the Non-Settling Defendants, as discussed in Question 6. For this reason, the settlements with Lucasfilm, Pixar and Intuit are partial settlements.

#### **6. Why is the lawsuit continuing if there are Settlements?**

Lucasfilm, Pixar, and Intuit have agreed to settle this case. The Non-Settling Defendants (Adobe, Apple, Google and Intel) have not agreed to settle, so the lawsuit will continue as a class action against them. More money may become available in the future as a result of additional settlements with and/or a trial against the Non-Settling Defendants, but there is no guarantee this will happen.

#### **7. What happens if the Plaintiffs later reach a settlement with the Non-Settling Defendants?**

The lawsuit will continue as a class action against the Non-Settling Defendants on behalf of all Class Members who do not exclude themselves from the lawsuit as described in Question 20. It cannot be known whether the Plaintiffs will prevail against the Non-Settling Defendants by proving the claims against them at a trial. If there are additional settlements in the future, there will be notice of those settlements as well. Depending on the timing of the notice(s) and Fairness Hearing(s) for any such settlements, the settlement funds received from the Settling Defendants and from any other Defendants who have settled may be distributed at the same time, in one distribution, to Class members who have submitted claims.

### **WHO IS IN THE PARTIAL SETTLEMENTS AND THE CLASS ACTION LAWSUIT?**

#### **8. Am I a Class Member who is part of the partial settlements and the ongoing class action lawsuit against the Non-Settling Defendants?**

In general, individuals who were salaried technical, creative and research and development employees at any one of the Defendant companies may be Class Members (a) who are eligible for a payment from the proposed settlements when the funds are distributed, and (b) on whose behalf the lawsuit will continue against the Non-Settling Defendants, if they met the following definition:

All natural persons who work in the technical, creative, and/or research and development fields that were employed on a salaried basis in the United States by one or more of the following: (a) Apple from March 2005 through December 2009; (b) Adobe from May 2005 through December 2009; (c) Google from March 2005 through December 2009; (d) Intel from March 2005 through December 2009; (e) Intuit from June 2007 through December 2009; (f) Lucasfilm from January 2005 through

December 2009; or (g) Pixar from January 2005 through December 2009. Excluded from the Class are: retail employees during the Class period; corporate officers, members of the boards of directors, and senior executives of all Defendants.

By way of example, the below technical, creative and/or research and development job titles are included in the Class. This is not a complete list of job titles. To see a more complete list of job titles, please go to [www.Hightechemployeeelawsuit.com](http://www.Hightechemployeeelawsuit.com):

• Software Engineers	• Research and Development
• Hardware Engineers and Component Designers	• Animators, Digital Artists, Creative Directors and Technical Editors
• Application Developers	• Graphic Designers and Graphic Artists
• Programmers	• Web Developers
• Product Developers	• IT Professionals
• User Interface or User Experience Designers	• Systems Engineers and Administrators
• Quality Analysts	• Employees classified as technical professionals by their employers

#### **9. I'm still not sure if I am included.**

If you received this Notice mailed to you, it is because you were listed as a potential Class Member. If you are still not sure whether you are included, you can get help at [www.Hightechemployeeelawsuit.com](http://www.Hightechemployeeelawsuit.com) or by calling 1-800-000-0000.

#### **10. Does it make a difference whether I worked for a Settling Defendant or a Non-Settling Defendant?**

As long as you fall within the definition of the class in Question 8 above, you can participate in both of the partial settlements, and the ongoing lawsuit against the Non-Settling Defendants, regardless of which Defendant you work or worked for. Current and former employees of Non-Settling Defendants Adobe, Apple, Google, or Intel, if they meet the definition of the Class, may receive a payment under the Lucasfilm, Pixar, and Intuit settlements when the funds are distributed. In addition, current and former employees of Intuit who meet the definition of the class may receive a payment under the Lucasfilm and Pixar settlement, and current and former employees of Lucasfilm or Pixar who meet the definition of the class may receive a payment under the Intuit settlement when the funds are distributed. Current and former employees of all of the Defendants, if they meet the definition of the Class, are also included in the certified Class of technical employees on whose behalf the lawsuit will continue against the Non-Settling Defendants.

#### **11. What are my rights as a Class Member?**

You may submit a Claim Form for a payment from the Settlement Funds (*see* Question 14). Or, you may exclude yourself from either or both of the settlements (*see* Question 20), and/or you may exclude yourself from the ongoing lawsuit (*see* Question 20). You may also comment on or object to the proposed partial settlements (*see* Question 23), or attend the Court's Fairness Hearing to speak in support of or against the Court's final approval of one or both of the proposed partial settlements. Or, you may do nothing (*see* Question 29).

### **THE SETTLEMENT BENEFITS**

#### **12. What do the partial settlements provide?**

Settling Defendants Pixar and Lucasfilm will pay \$9,000,000 into a Settlement Fund (the "Pixar/Lucasfilm Fund"). Settling Defendant Intuit will pay \$11,000,000 into a Settlement Fund (the "Intuit Fund"). The Pixar/Lucasfilm Fund and the Intuit Fund are collectively referred to as the "Settlement Funds." After deducting attorneys' fees, costs, applicable taxes, and other fees and expenses (*see* Question 19), the Pixar/Lucasfilm Fund and the Intuit Fund will be distributed to Class Members who file valid claims.

As a Settlement Class Member, you will give up, or "release," your claims against Pixar, Lucasfilm and Intuit. Those releases include any claims made or that could have been made arising from the facts alleged in this lawsuit. The

**QUESTIONS? CALL 1-800-000-0000 OR VISIT [WWW.HIGHTECHEMPLOYEEELAWSUIT.COM](http://WWW.HIGHTECHEMPLOYEEELAWSUIT.COM)**

releases are described in more detail in the Settlement Agreements and in Question 16 below. You can view or download a copy of both of the Settlement Agreements at the website [www.Hightechemployeeelawsuit.com](http://www.Hightechemployeeelawsuit.com).

### 13. How much money can I get from the partial settlements?

Class Members who submit a Claim Form will be eligible to receive a share of the Settlement Funds when they are distributed based on a formula utilizing a Claimant's base salary paid while working in a Class Position during the Class Period as set forth in the Settlement Class definition. In other words, each Class Member's share of the Settlement Funds is a fraction, with the Claimant's total base salary during the Class Period as the numerator and the total base salary during the Class Period of all Claimants as the denominator:

(Approved Claimant's individual total base salary paid in Class Positions during the Class Period) ÷ (Total of base salaries paid to all approved Claimants in Class Positions during the Class Period).

The Claimant's individual fractional amount shall be multiplied against the Settlement Funds after court-approved costs, applicable taxes, service awards, and attorneys' fees are subtracted. Because each Claimant's fractional amount will depend in part on how many other Class Members file Claim Forms, fractional amounts will increase if less than 100% of the Class participates as Claimants. The proposed Plan of Allocation is available for review at [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com), and will be presented for approval by the Court at the Fairness Hearing (see Question 24).

## SUBMITTING A CLAIM FORM FOR A SHARE OF THE PARTIAL SETTLEMENTS

### 14. How can I get money from the partial settlements?

To receive money from the partial settlements, you must complete and submit a Claim Form, either online at [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com), or by mail, to receive money from the partial settlements. A copy of the Claim Form is included with this Notice. Please read this Notice and the Claim Form carefully. **You must either complete and submit the form online no later than March 19, 2014, or complete the included form manually, sign it, and mail it postmarked no later than March 19, 2014, to the Notice and Claims Administrator at the address listed in Question 32 of this Notice.** If necessary, you may download and print out a Claim Form from the website [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com). If you have any problems with the Claim Form or questions about how to submit your claim, please call the Notice and Claims Administrator at the telephone number printed at the bottom of this page.

If you fall within the Class definition, you may receive money from either or both partial settlements. If you submit one completed Claim Form, it will be deemed submitted for both settlements unless you separately have written to exclude yourself from a settlement following the instructions on how to exclude yourself in paragraph 20 below. For example, if you did not submit a written request to be excluded from a settlement and timely submit a completed Claim Form, you will be deemed to have submitted a claim to receive money from both the settlement with Pixar and Lucasfilm and the settlement with Intuit. If you separately write to exclude yourself from one of the two settlements and you timely submit a completed Claim Form, you will be deemed to have submitted a claim to receive money only under the settlement from which you did not exclude yourself. And if you have separately written to exclude yourself from both settlements and submit a Claim Form, the Notice and Claims Administrator will honor your request for exclusion and your Claim Form will be deemed invalid.

### 15. When will I get my payment(s)?

The Court will hold a final Fairness Hearing on **May 1, 2014**, to decide whether to approve the proposed partial settlements. If the Court approves the settlements, there still may be appeals of that decision. If an appeal is filed, it is hard to estimate how long it might take for it to be resolved, but it can take a lot of time, perhaps more than a year. Settlement payments to Settlement Class Members will be distributed if the settlements are approved, and after appeals, if any, are resolved.

Updates regarding the partial settlements and when payments may be made will be posted on the settlement website, [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com).

### 16. What am I giving up to get payment(s) under the partial settlement(s)?

QUESTIONS? CALL 1-800-000-0000 OR VISIT [WWW.HIGHTECHEMPLOYEEELAWSUIT.COM](http://WWW.HIGHTECHEMPLOYEEELAWSUIT.COM)

If you are a Class Member, unless you exclude yourself from one or both settlements, you are staying in the Class, and that means that you can't sue, continue to sue, or be part of any other lawsuit against Lucasfilm, Pixar, or Intuit about the legal claims in this case. It also means that all of the Court's orders will apply to you and legally bind you, and that you agree to the following "Releases of Claims," which describe exactly the legal claims that you give up if you get settlement benefits:

With respect to Intuit, upon the Settlement Agreement becoming effective, the Named Plaintiffs and Class members (who do not otherwise properly exclude themselves) shall all release and forever discharge Intuit and officers, directors, affiliates and employees (other than employees who are members of the Class) from all manner of claims whether federal or state, known or unknown, asserted or unasserted, regardless of legal theory, arising from the facts, activities or circumstances alleged in the Consolidated Amended Complaint (Dkt. 65) or any other purported restriction on competition for employment of Class members, up to the Effective Date of the Settlement whether or not alleged in the Consolidated Amended Complaint (Dkt. 65). The Settlement Agreement shall not be construed to release any local, state or federal claim arising out of allegations of any product defect, discrimination, or personal or bodily injury, and shall not be construed to release any local, state or federal claim arising out of allegations of unlawful overtime or violations of ERISA or similar statute that are unrelated to any of the following: the facts, activities, or circumstances alleged in the Consolidated Amended Complaint or the payments or distributions made pursuant to this Settlement.

With respect to Pixar and Lucasfilm, upon the Settlement Agreement becoming effective, the named Plaintiffs and Class members (who do not otherwise properly exclude themselves) shall all release and forever discharge Pixar and Lucasfilm together with their parent company The Walt Disney Company and their other past and present parents, subsidiaries, divisions, affiliates, stockholders, officers, directors, insurers, employees, agents, attorneys, and any of their legal representatives (and the predecessors, heirs, executors, administrators, successors, purchasers, and assigns of each of the foregoing) from all manner of claims whether federal or state, known or unknown, asserted or unasserted, regardless of legal theory, arising from the facts, activities or circumstances alleged in the Consolidated Amended Complaint (Dkt. 65) or any other purported restriction on competition for employment of Class members, up to the Effective Date of the Settlement whether or not alleged in the Consolidated Amended Complaint (Dkt. 65). The Settlement Agreement shall not be construed to release any local, state or federal claim arising out of allegations of any product defect, discrimination, or personal or bodily injury, and shall not be construed to release any local, state or federal claim arising out of allegations of unlawful overtime or violations of ERISA or similar statute that are unrelated to any of the following: the facts, activities, or circumstances alleged in the Consolidated Amended Complaint or the payments or distributions made pursuant to this Settlement.

By participating in either or both of these partial settlements you are not giving up your right to receive payments from any future settlements or a trial against the Non-Settling Defendants.

**QUESTIONS? CALL 1-800-000-0000 OR VISIT [WWW.HIGHTECHEMPLOYEELEWSUIT.COM](http://WWW.HIGHTECHEMPLOYEELEWSUIT.COM)**

you can ask your lawyer to appear in Court for you if you want someone other than Plaintiffs' Counsel to speak for you. You may also appear for yourself without a lawyer.

#### **19. How will the lawyers be paid?**

Plaintiffs' Counsel will ask the Court to approve at the Fairness Hearing payment from the partial Settlement Funds of out-of-pocket costs not to exceed \$4 million, which includes expert and vendor costs Plaintiffs' Counsel have incurred prosecuting this case to date. Plaintiffs' Counsel will also ask the Court to approve payment of attorneys' fees of up to thirty percent (or \$6 million) of the Settlement Funds. The fees would compensate Plaintiffs' Counsel for investigating the facts, litigating the case (including through appeals), and negotiating and administering the settlements. Plaintiffs' Counsel will ask the Court to approve at the Fairness Hearing payments of \$10,000 to each of the individual Class Representatives as Service Awards for their service to the Class, which shall be paid when the Settlement Funds are distributed to Class members who have submitted valid claims. Plaintiffs' Counsel may seek additional attorneys' fees, costs, and expenses from any future settlement or recovery obtained from non-settling Defendants. The costs of providing this Notice and administering the two settlements are being paid from the Settlement Funds and are estimated to total approximately \$200,000.

You do not have to pay any of Class Counsel's fees, costs or expenses. If the Court grants Counsel's request(s), all fees, costs and expenses would be deducted from any money obtained for the Class, or paid separately by the Non-Settling Defendants.

### **EXCLUDING YOURSELF FROM THE SETTLEMENTS AND/OR THE ONGOING LAWSUIT**

#### **20. How do I get out of the settlements and/or the ongoing class action lawsuit against the Non-Settling Defendants?**

**Excluding yourself from the partial settlements:** If you fall within the Class definition but don't want a payment from one or both of the partial settlements or you want to keep the right to sue or continue to sue Intuit, Lucasfilm, or Pixar (at your own expense) about the legal issues in this case, then you must take steps to get out of one or both of the settlement Classes. This is called excluding yourself from, or opting out of, a proposed settlement Class. Opting out of a proposed settlement Class at this time will not affect your right to remain in the Class for purposes of the continuing litigation against the non-settling Defendants.

To exclude yourself from (opt out of) one or both of the partial settlements, you must send an Opt-Out Request letter to the Notice and Claims Administrator at the address below saying that you want to be excluded from the settlement Class in *In re: High-Tech Employee Antitrust Litigation*, with your full legal name and address and the dates of your employment with any of the Defendants, and you must include the following statement: "I want to be excluded from the High-Tech Employee Antitrust Litigation class action settlement. I understand that this means I will not be able to get any money or benefits from the settlement in this case." You must also specify if you only seek to exclude yourself from the Intuit settlement or only from the Pixar and Lucasfilm settlement. If you do not specify, your exclusion will be deemed submitted for both settlements.

If you request to be excluded from the partial settlement with Pixar and Lucasfilm, you will not be legally bound by the settlement with Lucasfilm and Pixar. You will be able to sue (or continue to sue) Lucasfilm and Pixar in the future about the legal claims in this case.

If you request to be excluded from the partial settlement with Intuit, you will not be legally bound by the settlement with Intuit. You will be able to sue (or continue to sue) Intuit in the future about the legal issues in this case.

If you ask to be excluded from either of the settlements, you will not get any payment from that settlement, and you cannot object to that settlement.

However, if you ask to be excluded from either or both settlements, you will still remain as a Class Member in the ongoing litigation against the Non-Settling Defendants unless you exclude yourself following the instructions below.

**Excluding yourself from the ongoing class action lawsuit against the Non-Settling Defendants:** If you fall within the Class definition but do not want to be included in the ongoing class action lawsuit against the Non-Settling Defendants, or you want to keep the right to sue or continue to sue Adobe, Apple, Google or Intel (at your expense) about

the legal issues in this case, then you must take steps to get out of this lawsuit. This is called excluding yourself from, or opting out of, the litigation Class.

To exclude yourself from (opt out of) the litigation Class so that you are not part of the ongoing lawsuit against the Non-Settling Defendants, you must send an Opt-Out Request letter to the Notice and Claims Administrator saying that you want to be excluded from the litigation Class in *In re: High-Tech Employee Antitrust Litigation*, with your full legal name and address and the dates of your employment with any of the Defendants, and you must include the following statement: "I want to be excluded from the High-Tech Employee Antitrust Litigation class action lawsuit. I understand that this means I will not be able to get any future money or benefits from this case."

If you request to be excluded from the litigation Class in the ongoing lawsuit against the Non-Settling Defendants, you will not be legally bound by the Court's judgments. If the Class gets money or benefits as a result of a trial or any settlement that may (or may not) be reached between any of the Non-Settling Defendants and the Plaintiffs, you will not be able to get any of that money or those benefits. You will be able to sue, or continue to sue, any of the Non-Settling Defendants on your own about the same legal claims that are involved in this case. If you do exclude yourself from the litigation Class and pursue your own lawsuit, you'll have to hire and pay your own lawyer for that case, and you'll have to prove your claims, separate and apart from the lawyers in this class action.

#### **Exclusion/Opt-Out Request Mailing Information**

To exclude yourself from one or both settlements and/or the ongoing class action lawsuit against the Non-Settling Defendants, you must submit your Opt-Out Request letter postmarked no later than **March 19, 2014** (or received by the Notice and Claims Administrator by that date if sent by fax or e-mail) at the following address:

Notice and Claims Administrator  
High Tech Employee Settlement  
P.O. Box 0000  
City, ST 00000  
Fax #  
Email Address

You cannot exclude yourself (opt out) by telephone. If you choose to exclude yourself from any part of this case, you may include any/all of your exclusion requests in one Opt-Out Request letter, or you may prepare separate letters and include them in the same mailing envelope; there is no need to send separate letters or to use separate envelopes.

#### **21. If I don't exclude myself, can I sue the Defendants for the same thing later?**

No. If you are a Class member, unless you exclude yourself from the settlements, you give up the right to sue Lucasfilm, Pixar, and Intuit for the claims that the two partial settlements resolve as more fully described in Question 16 above. If you are a Class member, unless you exclude yourself from the ongoing class action lawsuit against the Non-Settling Defendants, you give up the right to sue Adobe, Apple, Google and Intel for the legal claims in this case.

If you have a pending lawsuit against any of the Defendants, speak to your lawyer in that lawsuit immediately, because you may need to exclude yourself from the Class(es) to continue your own lawsuit. The process for excluding yourself from the settlements and/or the ongoing lawsuit is described in the preceding section.

#### **22. If I exclude myself, can I get money from this case?**

It depends on whether you exclude yourself from both settlements, or only one settlement, and/or from the ongoing lawsuit. If you exclude yourself from only one settlement, you may still submit a Claim Form to receive money under the other settlement. If you exclude yourself from both settlements, you will not receive money under either settlement even if you submit a Claim Form, but you may be eligible for a share of the money recovered, if any, from Non-Settling Defendants in the future, unless you exclude yourself from the ongoing lawsuit. If you exclude yourself from the ongoing lawsuit against the Non-Settling Defendants, and money or benefits are later awarded, you won't share

in those. But, by excluding yourself you keep any rights to sue on your own about the same legal claims in the lawsuit should you want to sue on your own.

## COMMENTING ON OR OBJECTING TO THE SETTLEMENTS

### 23. How do I tell the Court that I like or don't like a proposed settlement and may I speak at the hearing?

If you're a Class Member, you can comment on or object to one or both of the proposed partial settlements if you like or don't like any part of them. You can give reasons why you think the Court should or should not approve them. The Court will consider your views.

To comment or to object, you must send a letter to the Notice and Claims Administrator with your comment(s) or objection(s) to the proposed settlement(s) in *In re: High-Tech Employee Antitrust Litigation*. Be sure to include:

- Your name, address, telephone number, email address and signature;
- Which of the two settlements you wish to comment or object on—the settlement with Lucasfilm and Pixar, and/or the settlement with Intuit.
- If you object to either proposed partial settlement, a detailed list of any other objections that you or your lawyer have made to any class action settlements submitted to any court in the United States in the previous five (5) years; and
- A detailed statement of your comment(s) or objection(s), including the grounds for your objection(s), if any, together with any documents you think support it.
- You do not need to attend or speak at the Fairness Hearing (described in Question 24 below) in order for your comments or objections to be considered. If you would like to speak at the Fairness Hearing about your comments or objections to the settlements, you must add to your letter a statement that you intend to appear and speak at the hearing, for example, by stating "This is my Notice of Intention to Appear in *In re: High-Tech Employee Antitrust Litigation*."

If you wish for the Court to consider your comment(s) or objection(s), you must mail the comment(s) or objection(s), along with a request to speak at the Fairness Hearing (if any), by First Class U.S. Mail, postmarked no later than **March 19, 2014**, to:

Notice and Claims Administrator  
In re High Tech Employee Antitrust Lawsuit  
P.O. Box 0000  
City, ST 00000

You will have no right to speak at the hearing about a settlement if you choose to exclude yourself from that settlement, because a settlement no longer affects you if you opt out of it.

## THE COURT'S FAIRNESS HEARING

### 24. When and where will the Court decide whether to approve the settlements?

The Court will hold a Fairness Hearing at 1:30 p.m. on **May 1, 2014** in Courtroom 8 on the 4<sup>th</sup> Floor of the United States District Court for the Northern District of California, 280 S. First Street, San Jose, California 95113.

At this hearing, the Court will separately consider both proposed settlements and determine whether they are fair, reasonable, and adequate. If there are written comments or objections, the Court will consider them. The Court will decide whether to allow people who have raised objections or comments to speak at the hearing. The Court may also decide how much to award to Plaintiffs' Counsel in attorneys' fees and expenses and whether to approve the payment of Service Awards to the Named Plaintiffs, to be paid when the Settlement Funds are distributed to Class members who submit claims. After the hearing, the Court will separately decide whether to approve the partial settlement with Pixar and Lucasfilm, and the partial settlement with Intuit. We do not know how long these decisions will take, or whether the Court will issue its decisions about both settlements at the same time.

The Court may reschedule the Fairness Hearing or change any of the deadlines described in this Notice. Be sure to check the website, [www.Hightechemployeeelawsuit.com](http://www.Hightechemployeeelawsuit.com), for news of any such changes.

**25. Do I have to come to the Fairness Hearing?**

No. Plaintiffs' Counsel will be present at the Fairness Hearing to answer any questions the Court may have. You are welcome to come at your own expense. If you send comments or objections to the either or both settlements, you don't have to come to Court to talk about it. As long as you mailed your written comments or objections on time, the Court will consider them. You may also pay your own lawyer to attend, but it is not necessary.

**TRIAL**

**26. When will the trial occur to resolve the claims in the ongoing class action lawsuit?**

If the case against the Non-Settling Defendants is not dismissed or settled, the Plaintiffs will have to prove their claims at a trial set to begin on May 27, 2014, in Courtroom 8 - 4th Floor of the Robert F. Peckham Federal Building, 280 South 1st Street, San Jose, CA 95113. The trial may be moved to a different date or time without additional notice. The current schedule for the case will be posted at [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com). There is no guarantee that Plaintiffs will obtain any money or benefits from the Non-Settling Defendants.

**27. Do I have to come to the trial?**

You will not need to attend the trial unless you are a trial witness who is asked to attend by the Court. You and/or your own lawyer are welcome to come, at your expense. Check the website, [www.hightechemployeeelawsuit.com](http://www.hightechemployeeelawsuit.com), to be kept informed of the trial schedule.

**28. Will I get money after the trial?**

There is no guarantee that Plaintiffs will obtain any money or benefits from the Non-Settling Defendants. Class members will receive notice if Plaintiffs obtain money or benefits as a result of the trial or a settlement with one or more of the Non-Settling Defendants.

**IF YOU DO NOTHING**

**29. What happens if I do nothing at all?**

If you are a Class Member and you do nothing, you will get no money from the partial settlement with Pixar and Lucasfilm or the partial settlement with Intuit unless you submit a Claim Form (following the instructions in Question 14), and any claims you might have against Intuit, Pixar, and Lucasfilm for the allegations in this case will be released unless you separately write to exclude yourself (following the instructions in Question 20), meaning you won't be able to collect any damages from Pixar, Lucasfilm, or Intuit for their alleged unlawful agreements not to compete for employees in this lawsuit or another. To qualify to receive any money from the settlement with Pixar and Lucasfilm or the settlement with Intuit, you must submit a Claim Form following the instructions in Question 14 online or postmarked by mail by **March 19, 2014**.

If you are a Class Member and you do not write to exclude yourself from the ongoing lawsuit against the Non-Settling Defendants (also following the instructions in Question 20), you will remain in the ongoing class action lawsuit and retain the ability to recover money or other benefits that may come from a trial or a settlement with the Non-Settling Defendants. By staying in the case, you give up your rights to sue any of the Non-Settling Defendants on your own about the same legal claims in this lawsuit.

**YOUR PRIVACY**

**30. Will my manager know whether or how I responded to this notice?**

The Court has appointed an independent, experienced professional Notice and Claims Administrator, the Heffler Claims Group. The Notice and Claims Administrator will not disclose the identities of Class Members who submit Claim Forms to any Defendant, including Lucasfilm, Pixar, and Intuit (or their managers). The Notice and Claims

The Notice and Claims Administrator will process Claim Forms and issue settlement checks. The Notice and Claims Administrator will also receive Opt-Out Requests and comments (including objections) not related to claims. As required by the Court, the Notice and Claims Administrator will share the Opt-Out requests and comments or objections on the settlements with Class Counsel and counsel for the Settling Defendants, as well as with the Court. No information about Opt-Out Requests or comments (including objections) will be shared within any of the Defendant companies absent some showing of need to implement the settlements.
